

## We Fuel Business Growth.

FundTap turns traditional finance on its head. **With our new type of Growth Finance**, we enable SMEs to get instant access to their money so they can thrive and grow.

Getting instant access means you can be prepared for unexpected expenses or grow on your own timetable.

### 27%

Revenue growth for FundTap customers during FY2026

### 43%

Drop in overdue invoices after using FundTap

With customers across New Zealand and Australia, we're building a world where it's easier than ever to succeed as a small business by giving them better control over their cashflow.

#### Sleep Well

FundTap in your back pocket for unexpected expenses or growth opportunities.

#### Get Started in Minutes

With our accounting software integrations, no paperwork is needed.

#### On Demand

Only pay when you use it. No long-term contracts, no hidden fees.

#### Privacy

Clients still pay into your bank account and won't know the difference.

## Four steps to funded.

### 01

#### Create a free account

Takes less than 5 minutes.

### 02

#### Link your accounting system

No paperwork.

### 03

#### Select outstanding invoices

You decide which invoices. No minimums.

### 04

#### FundTap puts cash in your account

Funds to you in hours once approved.

## Why customers love FundTap.

### 01

We love the convenience and accessibility of FundTap. It's simple which is really nice and has enabled us to do things we wouldn't otherwise have been able to do.
